5. Dining Room

i. This room should be arranged adjacent to the kitchen. Only then it will be easy to serve the cooked food.

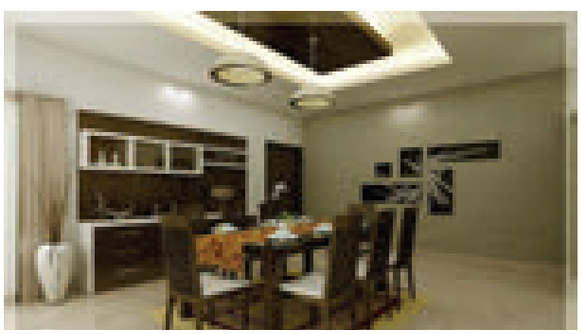

ii. If properly planned, the closed verandah adjacent to kitchen could also be utilized for dining purposes.

iii. Nowadays, people use tables and chairs for dining. Hence a rectangular shaped dining room with a rectangular dining table in it with dining chairs around will be ideal and convenient.

iv. Chairs should be placed so as to provide maximum comfort while dining.

v. The dining place should have adequate sunlight and air circulation with pleasing look.

vi. The dining room should always be kept clean and tidy so that flies, cockroaches, etc., are avoided.

6. Pooja room

In every house there should be a small space for worshipping god. Hence, a pooja room for worshipping god could be planned in a calm portion of the house.

7. Bath room

i. The main objective of this room is to provide adequate facilities for taking bath and washing clothes. Therefore, the size and shape of this room should be sufficient enough to offer the above facilities.

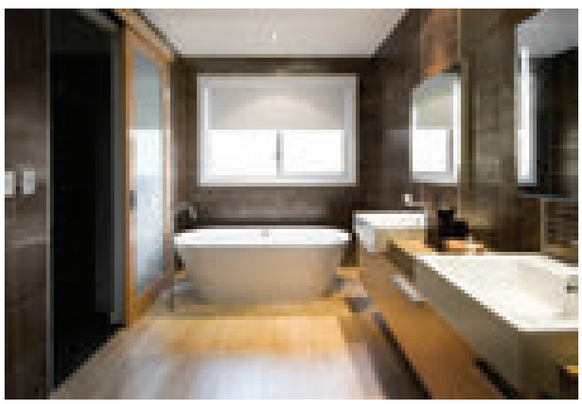

ii. The size of the bath room should meet the standards.

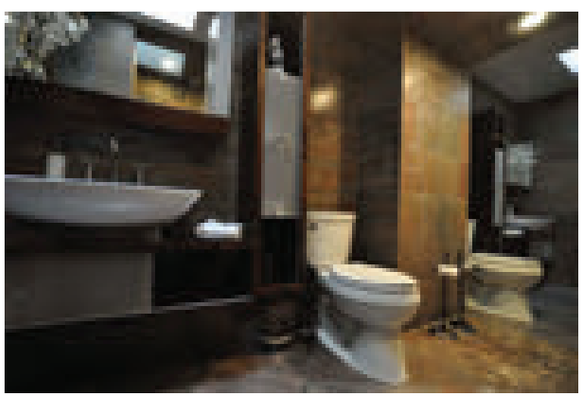

iii. A place has to be provided to keep soap, towel, tooth brush, tooth paste, etc.

iv. Proper ventilation should be provided.

v. The floor of the bathroom should be non-slippery, it should not catch stains and should be easily washable.

vi. Porcelain tiles could be affixed on the wall from the floor to a height of 2 m, so that its glossy exterior will not catch stains easily and the bathroom will always look clean.
