ANNEXURE-3

Installation of MinGW

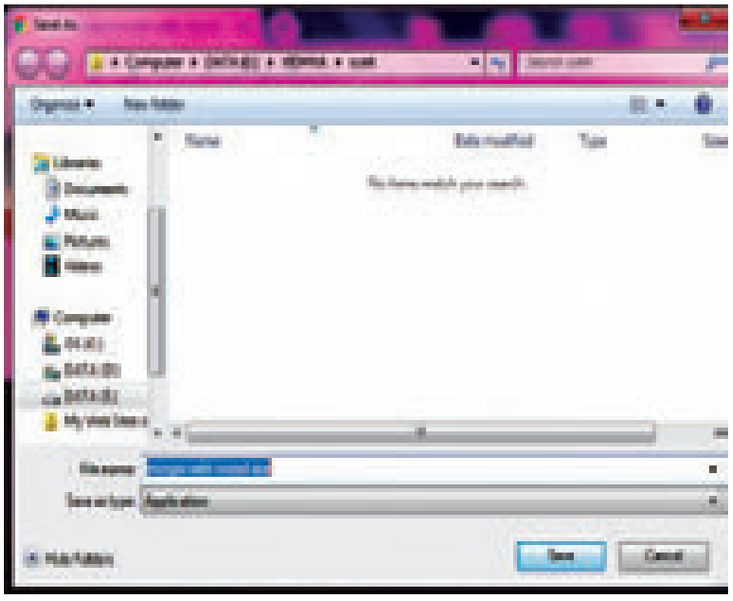

US42Y5

STEPS TO INSTALL MinGW-w64 - for 32 and 64 bit Windows

STEP1: Type https://sourceforge.net/projects/mingw-w64 in any search engine(www.google.in) and double click it.

Step 2 : Click the Download button which appears in the home page. The file should start downloading in your standard download folder or it prompts the save as dialog box

Step 3 : The file should appear as mingw-get-setup.exe . Terminate the window browsing the SourceForge web site. Move this file to a more permanent location, so that you can install MinGW (and reinstall it later, if necessary).
