Note this form is already set up to show the password and password confirmation fields. We'll make a few aesthetic changes so the form looks nice and matches the look and feel of the site.

rails80/depot_r/app/views/users/_form.html.erb

```
<%= form_with(model: user, class: "contents") do |form| %>
  <% if user.errors.any? %>
    <div id="error_explanation" class="bg-red-50 text-red-500 px-3 py-2
                                       font-medium rounded-md mt-3">
      <h2><%= pluralize(user.errors.count, "error") %>
        prohibited this user from being saved:</h2>

      <ul class="list-disc ml-6">
