    </html>
```

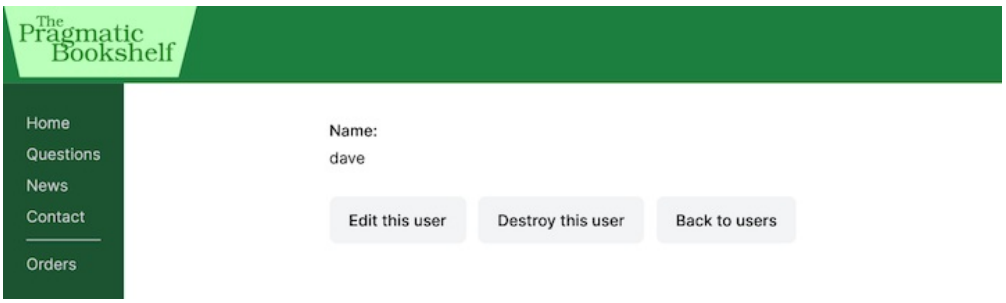

Now it’s all starting to come together. We can log in, and by clicking a link in the sidebar, we can see a list of users. Let’s see if we can break something.

Would the Last Admin to Leave…

We bring up the user list screen that looks something like the following screenshot:

If we click the Show this user link, we see the following:

Now click the Destroy this user link to delete that user. Sure enough, our user is
