# ICT CORNER

## Cancer

Find the causes of Cancer by exploring your internal body.

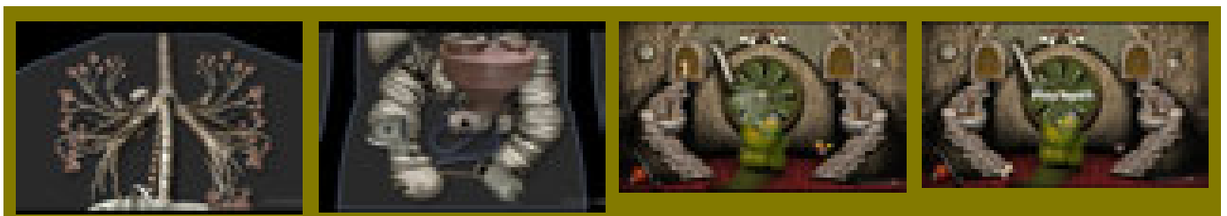

### Steps:

**Step 1:** Use the **URL** or **scan** the **QR Code** to launch the page. And click **'Let's Go'** to play the game.

**Step 2:** Scroll the launched page to have an overview of the complete map of the organs. Click the spot where the cursor gets changed as Indicator (Hand Symbol – Use this in other following steps too) to go to the lung region and to observe the changes over there.

**Step 3:** In the lung region, nullify the smoking and take appropriate medication to understand the process.

**Step 4:** Repeat the same with the other regions like liver and stomach to know the causes of cancer.
