ICT CORNER

RECOMMENDED DIETARY ALLOWANCE AND MEAL PLANNING

Eager to know the proper meal?

Let's check that here..

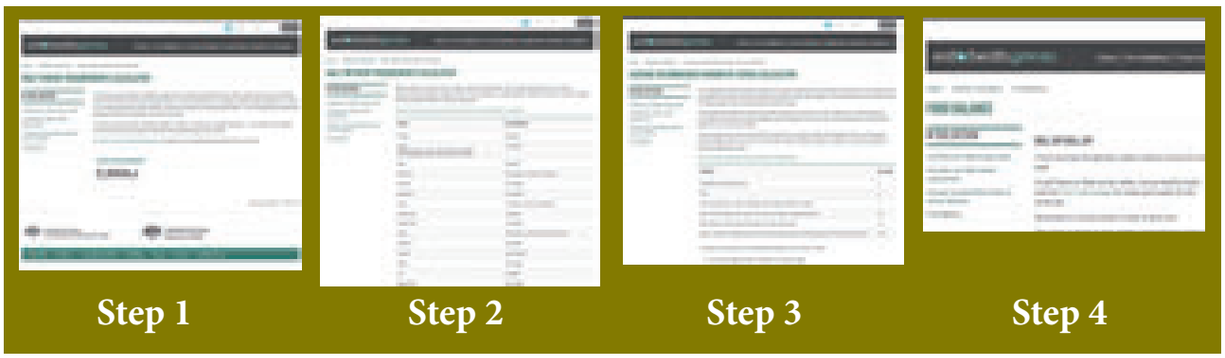

Steps:

Step 1: Use the **URL** or scan the **QR Code** to launch the **"Daily energy requirements calculator"** activity page.

Step 2: Click on **"Calculate your energy needs'** on the left of the window, feed in the details to know the energy need.

Step 3: Click on the **"Calculate your daily nutrient requirements"** and **"Average recommended number of serves"** to know them respectively.

Step 4: You shall know the **"Balance Diet"** by playing the game suggested.

DOWNLOADING

To go inside the app directly you can either use **QR code** or the **given link**
