Nadu made obtaining the explosive easy. He spoke with confidence and exuberance.

There was silence in the room after Murugan was done talking. It exposed how porous India's borders and its security system were. Murugan said that at that point, Sivarasan was set to execute his leader's directive—the assassination of Rajiv Gandhi.

The interrogation had run for more than thirty hours. Non-stop. Everyone needed a break. Kanth suggested that they resume with Murugan after a gap of twelve hours and ask him to recall his story right from the beginning, so they could check for discrepancies. None of the interrogators were really interested in a break from Murugan's confession, but they saw Kanth's point and agreed.

Next morning, Murugan was again interrogated. He said he had taken Dhanu and Shubha to Nalini's house, where others were to join for a briefing from Sivarasan. Although, he added that Sivarasan did not want too many to attend his meetings. So he had asked Murugan to talk to Peraribalan, Payas and Jayakumar separately. Murugan explained to Peraribalan the specifics of the bomb in a separate meeting. Without disclosing the operation in detail, Murugan, at the behest of Sivarasan, asked for a bomb that could be comfortably hidden under clothes and fitted around the waist of a woman. Peraribalan was Sivarasan's and Murugan's latest addition to the list of operatives for the assassination.

The SIT laid a trap for Peraribalan with the help of a phone call from Ravi Shankar, who was in custody, and two other LTTE operatives who were cooperating with the investigation. Peraribalan was told to wait at a bookstore in Periyar Thidal in the city and that a rescue operative would go there and take him to a safer place. The tracker team of the SIT would already be both inside and outside the bookstore. The plan was a success, and Peraribalan was picked up within seconds of his arrival and brought to Malligai for questioning.

Raju confronted Peraribalan about him making the bomb. After denying the charge for hours, he was shown all of his former colleagues in custody. The sight jolted him. He finally talked. Peraribalan confessed to having
