28. The G20, or Group of 20 is an international forum for the governments and central banks of 19 major nations and the European Union. A Sherpa is a personal representative of the leader of a member country at an international Summit meeting. The Sherpa engages in planning, negotiation, and implementation of tasks through the Summit. They coordinate the agenda, seek consensus at the highest political levels, and participate in a series of pre-Summit consultations to help negotiate their leaders' positions.
