19. Note that Cashless, Paperless, and Digital are not the same thing. Cashless transactions include a range of paper-based instruments such as cheques, drafts, and credit and debit cards. Digital transactions are a sub-set of cashless transactions and include electronic funds transfers such as NEFT, RTGS, IMPS, UPI, and e-wallet transactions.
20. M-Pesa (M for mobile, pesa for money in Swahili) is a mobile phone-based money transfer system that was launched by Vodaphone in 2007 in Kenya and Tanzania. M-Pesa allowed users to deposit, withdraw and transfer money, and pay for goods and services with a mobile phone. Users are charged a small fee for sending and withdrawing money using the service.
21. The Pradhan Mantri Jan Dhan Yojana (PMJDY) loosely translated as the Prime Minister's People Money Scheme, was launched by Prime Minister Modi on 28 August 2014. Account holders could open bank accounts with no minimum balance requirements, and were entitled to RuPay debit cards. By 4 April 2018, over 314.2 million bank accounts had been opened and 236.6 million RuPay cards issued under the scheme. See https://www.pmjdy.gov.in/account
