

1.1 England and the Holy Roman Empire

Henry V was a deep man, even at a young age, and he was playing a deep game. Looking around for his most natural ally, he settled on the king of England, still unsoftened by the rain of prayers directed his way. In 1110, he negotiated a betrothal between himself and the English king's nine-year-old daughter, Matilda, which brought him a very large dowry. Then, with Henry I's money, he assembled an army and marched down to the Papal States of Italy to bring the controversy to an end.

With a hostile army waiting just outside his borders, Paschal agreed to a compromise. Henry V would yield his right to appoint bishops, giving the pope the right to decide who would hold spiritual authority. But in return, Paschal would give back all of the lands, political perks, and privileges that had gotten entwined, over the centuries, with the bishoprics.
