* In 884, the Fujiwara official Mototsune invented for himself the post of *kampaku*, or "civil dictator." The *kampaku* had as much authority over a grown emperor as a regent, or *sessho*, had over a child ruler. By the twelfth century, the titles *sessho* and *kampaku* seem to have often been used interchangeably, but the highest post in government—with authority over the throne itself—was almost always held by a Fujiwara official. See, for example, Ivan Morris, *The World of the Shining Prince: Court Life in Ancient Japan* (Alfred A. Knopf, 1964), pp. 48ff.

* Stephen Turnbull provides a useful definition: "The actual definition of a samurai changed considerably throughout his history, so the reader is
