5. As a leader of the nation, he/she meets various sections of people in different states and receives memoranda from them regarding their problems, and so on.

6. He/she is leader of the party in power.

7. He/she is political head of the services.

Thus, the Prime Minister plays a very significant and highly crucial role in the politico-administrative system of the country. Dr. B.R. Ambedkar stated, 'If any functionary under our constitution is to be compared with the US President, he is the Prime Minister and not the President of the Union'.

ROLE DESCRIPTIONS

The various comments made by the eminent political scientists and constitutional experts on the role of Prime Minister in Britain holds good in the Indian context also. These are mentioned below:

Lord Morely He described Prime Minister as 'primus inter pares' (first among equals) and 'key stone of the cabinet arch'. He said, "The head of the cabinet is 'primus inter pares', and occupied a position which so long as it lasts, is one of exceptional and peculiar authority".

Herbert Marrison "As the head of the Government, he (prime minister) is 'primus inter pares'. But, it is today for too modest an appreciation of the Prime Minister's position".

Sir William Vernor Harcourt He described Prime Minister as 'inter stellas luna minores' (a moon among lesser stars).

Jennings "He is, rather, a sun around which planets revolve. He is the key-stone of the constitution. All roads in the constitution lead to the Prime Minister."

H.J. Laski On the relationship between the Prime Minister and the cabinet, he said that the Prime Minister "is central to its formation, central to its life, and central to its death". He described him as "the pivot around which the entire governmental machinery revolves."

H.R.G. Greaves "The Government is the master of the country and he (Prime Minister) is the master of the Government."

Munro He called Prime Minister as "the captain of the ship of the state".

Ramsay Muir He described Prime Minister as "the steersman of steering wheel of the ship of the state."

The role of the Prime Minister in the British parliamentary government is so significant and crucial that observers like to call it a 'Prime Ministerial government.' Thus, R.H. Crossman says, 'The post-war epoch has been the final transformation of cabinet government into Prime Ministerial government.' Similarly, Humphrey Berkely points out, 'Parliament is not, in practice, sovereign. The parliamentary democracy has now collapsed at Westminster. The basic defect in the British system of governing is the super-ministerial powers of the Prime Minister.' The same description holds good to the Indian context too.

RELATIONSHIP WITH THE PRESIDENT

The following provisions of the Constitution deal with the relationship between the President and the Prime Minister:
