8. **Any other matter relating to GST, as the Council may decide.**

OTHER FUNCTIONS

In addition to the above, the Council has the following other functions:

1. **The Council shall recommend the date on which the GST may be levied on petroleum crude, high speed diesel, motor spirit (petrol), natural gas and aviation turbine fuel.**
2. **When there is a dispute with respect to its recommendations or their implementation, the Council shall establish a mechanism to adjudicate upon the dispute:**
    1. **between the centre and one or more states; or**
    2. **between the centre and any state or states on one side and one or more other states on the other side; or**
    3. **between two or more states.**
3. **The Council has to recommend the compensation to the states for loss of revenue arising on account of introduction of GST for a period of five years. Based on this recommendation, the Parliament determines the compensation. Accordingly, the Parliament enacted the law in 2017[4].**
