Guiding Principles

In carrying out the above functions, the NITI Aayog is guided by the following principles[7]:

1. *Antyodaya:* Prioritise service and uplift of the poor, marginalised and downtrodden, as enunciated in Pandit Deendayal Upadhyay's idea of 'Antyodaya'.
2. *Inclusion:* Empower vulnerable and marginalised sections, redressing identity-based inequalities of all kinds—gender, region, religion, caste or class.
3. *Village:* Integrate our villages into the development process, to draw on the vitality and energy of the bedrock of our ethos, culture and sustenance.
4. *Demographic dividend:* Harness our greatest asset, the people of India; by focussing on their development, through education and skilling, and their empowerment, through productive livelihood opportunities.
5. *People's Participation:* Transform the developmental process into a people-driven one, making an awakened and participative citizenry—the driver of good governance.
6. *Governance:* Nurture an open, transparent, accountable, pro-active and purposeful style of governance, transitioning focus from Outlay to Output to Outcome.
7. *Sustainability:* Maintain sustainability at the core of our planning and developmental process, building on our ancient tradition of respect for the environment.

Therefore, the NITI Aayog is based on the following seven pillars of effective governance:

1. Pro-people agenda that fulfils the aspirations of the society as well as individuals.
2. Pro-active in anticipating and responding to citizen needs.
3. Participative, by involvement of citizens.
