24. How does DJI ActiveTrack enable autonomous object tracking during flight?
25. What strategic purpose does the Indian Army’s SWARM-100 initiative serve?
26. Describe one key lesson learned from the US Perdix micro-drone swarm demonstrations.
27. What do the Zhuhai Air Show swarm displays indicate about China’s swarm development strategy?
28. How did Dubai position itself as an early adopter of drone taxi demonstrations?
29. What was the significance of UAM testing for the Paris 2024 Olympic Games?
30. Summarize the certification pathway followed by Joby Aviation in the United States.
31. What problem is quantum-resilient UAV communication architecture designed to prevent?
32. Describe how quantum key distribution (QKD) enhances security in drone swarms.
33. How did Verizon Skyward demonstrate the viability of 5G-enabled drone operations?
34. What makes Nokia Drone Networks suitable for emergency response environments?
35. Explain the importance of 5G BVLOS trials in improving medical logistics in rural India.
36. What scientific objective underlies the NASA Ingenuity mission?
37. Describe the primary exploration goal of the Dragonfly mission to Titan.
38. How might future drones operate as part of smart city infrastructure?
