

This means you want your numerals to appear with two decimal places and a thousand separators using a comma.

	Bills	January	February	March	April	May
4	Rent	2,000.00	2,000.00	2,000.00	2,000.00	2,000.00
5	Phone	200.00	250.00	220.00	200.00	210.00
6	Credit Cards	200.00	150.00	200.00	200.00	230.00
7	Food	250.00	230.00	240.00	244.00	245.00
8	Candy	140.00	150.00	124.00	150.00	143.00
9	Total					

You can add a thousand separators on numbers to make them readable.
