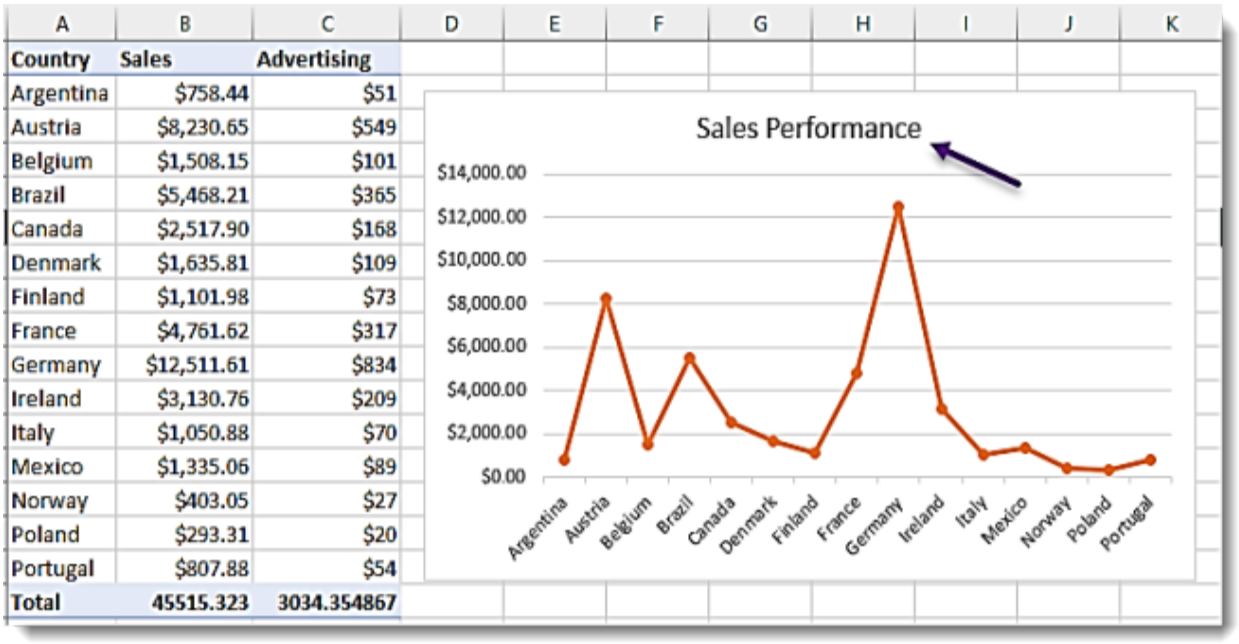

CHART TITLES

When creating a chart in Excel, there are some key things you must know about to make it look legit. First, give that chart a **TITLE** so anyone can understand what it's all about. For example, in the illustration below, **SALES PERFORMANCE** is the Chart title.

Country	Sales	Advertising
Argentina	$758.44	$51
Austria	$8,230.65	$549
Belgium	$1,508.15	$101
Brazil	$5,468.21	$365
Canada	$2,517.90	$168
Denmark	$1,635.81	$109
Finland	$1,101.98	$73
France	$4,761.62	$317
Germany	$12,511.61	$834
Ireland	$3,130.76	$209
Italy	$1,050.88	$70
Mexico	$1,335.06	$89
Norway	$403.05	$27
Poland	$293.31	$20
Portugal	$807.88	$54
Total	**45515.323**	**3034.354867**

If you don’t have the Title enabled, click on the Chat Elements button and click on the check box to enable it.
