HOW TO CHANGE THE CHART STYLE

1. First, select the existing chart you want to change on your worksheet by clicking on it.
2. Next, go to the **Chart Design** tab on the Excel ribbon.
3. Under the **Chat Style** group, you will see a preview of different chart styles.

	A	B	C
1	Country	Sales	Advertising
2	Argentina	$758.44	$51
