14	1/	uyama Ma	Beverage	$
15	1/23/2023	Davolio Rockall	Meat and proteins	$ 200.59

1. Next, click the "**Insert**" tab in the ribbon and select "**PivotTable**". This will pop up the "**Create PivotTable**" dialog box.

1. In the "**Create PivotTable**" dialog box, select the correct range of data, and **choose** where you want your PivotTable to be placed (e.g., a new worksheet or an existing worksheet).
