RECORDING YOUR FIRST MACRO IN EXCEL

Follow these steps to record a macro in Excel:

1. Open the workbook you want to record the macro.
2. Go to the "**View**" tab in the Ribbon, click the "Macros" drop-down arrow, and select **Record** Macros.

1. In the "**Record Macro**" dialog box, assign a name to your macro, and if you like, set a shortcut key, and choose where you want to store the macro.
