

4. Set the criteria for formatting, like the value or range of values to be highlighted. For instance, if you want to highlight values lower than 0, click *Highlight Cell Rules > Less Than...*
5. Now choose the formatting options you want to apply, like font or background colour.
6. Select OK to apply conditional formatting to the selected cells.

USE A PRESET RULE WITH CUSTOM FORMATTING

To use a preset rule with custom formatting, simply follow these steps:

1. Select the range of cells where you want to apply the conditional
