15.1 Introduction to E-Commerce

C7BQKY

"The wise possess all". Anyone who is quick to identify and adopt innovation will be successful. Commerce always profits from innovations. Successful businesses quickly identify developing opportunities in emerging new technology, and expand their commercial capabilities.

The customer goes to the market, checking out a variety of products, choosing required stuff, purchasing them and then paying the specific amount is traditional commerce. However, recent ways of buying or selling goods and services have come up with technology innovations.

In near future commercial activities such as buying or selling of goods between merchant and consumer will be forgotten.
