doom laden in relation to Buddhism in India after Ashoka, while the *Ashokavadana* suggests revival and subsequent continuity.

Fig. 12.2: Sanghamitra with (Abanindranath Tagore) the Bodhi tree (Nandlal Bose)

Tishyarakshita figures again and more powerfully some chapters later in connection with Kunala, Ashoka's son by Queen Padmavati. Named after a variety of avifauna called 'Kunala'—his bright and beautiful eyes were similar to those of the bird—the infant grew into a solitude-loving prince.
