The story of Babur's unyielding pursuit of power amid treacherous political landscapes brings to light his adept navigation through political intricacies and adversities.

Babur: The Chessboard King **portrays the emperor as a multifaceted ruler, challenging the typical depiction of an infallible conqueror and a benevolent human being.**

'Meticulously researched, richly footnoted and referenced, and written with a narrative flow that makes it interesting for the reader'
VIKRAM SAMPATH

'*Babur: The Chessboard King* ruthlessly demolishes the edifice of false narratives, and pieces together cogent, logical, reasonable and illuminating accounts from exhaustively researched primary sources. May his tribe increase!'
ASHWIN SANGHI

'Using primary sources, such as the *Baburnama*, Aabhas gives us rare insights into the Turkic conquerors who invaded India in pre-modern times'
