certain important if controversial issues, hitherto not discussed in any other banking history. Engagingly written and meticulously researched, this book is a mine of information on Indian banking history. The apposite and interesting anecdotes are the icing on the cake.

It gives the trustees great pleasure in presenting this book to the public. The Trust is confident that this book will be a compelling read for not only academics and practitioners of banking, but also the general reader.

Minoo R. Shroff
(Chairman and Managing Trustee
The A.D. Shroff Memorial Trust, Mumbai)
