Banking Reforms

1 A *nidhi* was engaged in the business of lending to, and borrowing from its members or shareholders. Today a *nidhi* company is a company registered under the Companies Act and notified as such by the central government.

2 The Bank rate was the rate at which the Imperial Bank was prepared to grant demand loans against government securities and the *hundi* rate was one at which the Imperial Bank would discount or rediscount first class commercial bills with a maturity of not more than three months.
