17 Interview with N. Vaghul in Mumbai on September 6, 2012.

18 Nasser Munjee told the author that H.T. Parekh hated being photographed. Nasser was responsible for what is now the most famous, and perhaps the most candid shot, of Parekh. When after much persuasion they got him to pose for the photograph, a highly self conscious Parekh presented a stiff, if not downright grim face. Nasser says that he distracted him, made him laugh, and the photographer did the rest.
