We invite Your attention to

Our "Home Savings Safe" Account.

A Banker can render no higher Service to his constituents and to the Public than by teaching them thrift for laying by small Savings. The value of a Rupee is never realised through earning it. Its value is appreciated through a systematic method of Saving a certain part of it—no matter how small that bit is. To promote this object, specially amongst individual members of families and to enable them to meet unforeseen expenses and household contingencies, we offer our "Home Savings Safe" Account Scheme to open **Savings Bank Accounts** with us.

Interest allowed at 4 % per annum on daily Balances.

For further particulars apply to the Bank.
