

STATE BANK OF INDIA
CENTRAL OFFICE
BOMBAY

CHAIRMAN

30th July 1976.

My dear Colleagues,

I am relinquishing charge and proceeding on leave from the 4th August 1976.

It has been my good fortune to get an opportunity to preside over the affairs of the State Bank family for nearly eight years. In the discharge of my duties I must acknowledge I got the able, willing and unstinted co-operation of the staff. It is primarily to convey my gratitude to you all that I write this letter.

The State Bank has been a pioneer in anticipating the aspirations of the society and catering to them. We have always responded to the nation's emerging needs with willingness and zeal. We have also been leaders in research and development in the banking industry. On the eve of laying down my office, I derive great comfort from the conviction that the inner strengths and talents of this great organisation will grow and multiply, as they have done all along, and be harnessed in the service of the nation.

My appointment as Chairman from the 1st March 1969 marked the beginning of a new chapter in the banking industry with professional bankers taking positions as Bank Chiefs. It is heartening to see that the Government's faith has been strengthened further. It is a matter of great pride for all of us that the mantle of this august office will now pass on to another professional banker Shri T. R. Varadachary. I wish Shri Varadachary unqualified success in his new assignment and hope that all of you would extend to him full co-operation and support.

Personally speaking, I have enjoyed every minute of my tenure in the Bank spread over 33 years. Looking back, I feel proud and happy to have belonged here, to this great institution, to all of you.

With best regards.

Yours sincerely,

(R. K. TALWAR)
