to able to capture him nor did they have enough information to be able to apprehend him. Bhagat Singh had managed to foil them, staying always one step ahead, under cover of concealment, deception and fakery, all of which he combined with great effect to frustrate the authorities as they set out to detect and capture him, until he was finally taken into custody on 8 April 1929. Along the way, he left behind a long fabled narrative of his revolutionary life. Today, it has entered the common folklore of both India and Pakistan. And it has made Bhagat Singh immortal.
