Anthony Holland, Sardar Gulzar Singh Sahota. For strategic support I am most thankful to Ghoghi. In India, M.M. Juneja, Professors Chaman Lal and Malwinderjit Singh, and Harpreet Bhinder have always been ready to provide any information that I have asked for.

Finally, my heartfelt thanks must go to my publishers: Meru Gokhale for encouraging me to write a Penguin book on the ‘life in revolution’ of Bhagat Singh; to Shaoni Mukherjee for her eye for detail during the editorial stage, for which this work is all the better; and to Shubhi Surana for overseeing the publication process so professionally and thoroughly.
