Mental Health

Mental health is a state of balance between the individual and the surrounding world, a state of harmony between himself, with others and their environment.

Mental Illness

Mental illness is a collective term that refers to all the different types of mental conditions, including those that affect your mood, your thinking and your behaviour".

Psychiatry

Psychiatry is a branch of medicine that deals with the diagnosis, treatment and prevention of mental illness.

Psychiatric Nursing

Psychiatric Nursing deals with the promotion of mental health prevention of mental illness, care and rehabilitation of mentally ill individuals both in hospital and community.

The word psychiatry is derived from the **Greek word** "Psyche" means soul or mind; "iatros" means healer.
