fight against the virus. For instance, in sync with national priorities, leading names in the film fraternity such as Amitabh Bachchan, Akshay Kumar, Madhuri Dixit, Alia Bhatt, Ayushmann Khurrana, Ajay Devgn, Varun Dhawan, Ranveer Singh, Arjun Kapoor, Shilpa Shetty and many others came together by creating a video to spread awareness on the disease. The industry also came together and released a lovely, emotional song produced by Jackky Bhagnani and Akshay Kumar, composed by Vishal Mishra called 'Muskurayega India' (India Smiles) to uplift spirits of citizens. The video featured several young stars such as Sidharth Malhotra, Rajkummar Rao, Kriti Sanon, Tiger Shroff, Kartik Aaryan, Vicky Kaushal, Bhumi Pednekar, Kiara Advani, Taapsee Pannu, Rakul Preet Singh, Ananya Pandey, RJ Malishka and cricketer Shikhar Dhawan.[36] Leading singers came together for a virtual concert 'Sangeet Setu', hosted by Akshay Kumar, the proceedings of which were donated to Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES).[37]

In the spirit of last-mile outreach, the prime minister instructed his entire Union Cabinet of ministers to provide a daily report of the situation on ground in their respective states and constituencies. A similar directive was issued to his close team as well. The report should not just highlight issues but also add solutions and actions taken to alleviate the troubles that those highlighted issues were causing.

To cite an example, news came in from Belagondapalli near Hosur, Tamil Nadu, that about three tonnes of capsicum that a farmer named Raju had harvested was about to go bad due to transport issues. He hadn't been able to get the capsicum to the market in order to sell it. And, if there was no intervention, due to the short shelf life of the perishable capsicums the entire produce would begin to rot causing great financial damage to the farmer. This news appeared in various regional media outlets and a couple of English news dailies carried it as well.[38] The prime minister's communications team flagged it, included it as part of their twice-a-day media reports to be turned in as well as alerted the PMO official in the concerned empowered group. The empowered group on 'Facilitating Supply Chain and Logistics Management for Availability of Necessary Items such as Food and Medicines' immediately got into action and called the Horticulture Department of the government of Tamil Nadu. They reached out to the farmer and ensured that he faced no issue in transporting his produce. They also made sure that enough labour was arranged for the
