Swadeshi movement in Tuticorin. The recruitment of such an able hand was no doubt an asset.[9] In 1919, at a meeting to protest the Rowlatt bills, when VOC and Somasundara Bharati shared the platform, A. Rangaswami Iyengar, the Congress notable and editor of *Swadesamitran*, described Bharati as VOC's steadfast associate in SSNCo. Responding to this, VOC was generosity personified when he stated that Bharati was not his associate but rather they had worked together and were 'like two eyes' to the company.[10]
