Vijayaraghavachari maintain a delicate equilibrium in the company, he also raised resources when it was struggling. Because of his stature as a legal luminary and a respected Congress leader, his ready access to all levels of the government probably softened some of the blows. His interventions gave some respite to the company at a time when the government was breathing down its neck. While in prison, it was Vijayaraghavachari's good offices that VOC sought to reassure the many altruistic investors of the company.

If, on the one hand, VOC established an entirely novel business venture requiring heavy capital and harnessed the financial and human resources for its success, he also emerged as a popular leader on the other. His public speeches electrified the masses though until then his public speaking had been limited to religious discourses in small gatherings. Not until the feverish months of 1908 was the Tamil language used as a medium of oral political communication, instituting a modern democratic practice.

His tireless lecture tours across the presidency resulted in mobilizing substantial capital. His trustworthiness led prominent people to make substantial investments. Obscure people contributed small sums. Even by the admission of his archrivals in the company, more than half of the capital was channelled into SSNCo by VOC. Major investors and directors such as S.T.A. Arumugam Pillai, A.M.M. Arunachalam Pillai, and S.S.V. Krishna Pillai who anchored the company, remained steadfast in their support of VOC. SSNCo managed to win shareholders in large parts of India, and to an extent even abroad—Ceylon, Burma, Singapore (Straits Settlements) and South Africa. VOC's inspirational role played no small part in capturing the imagination of the Tamil/Indian diaspora. When he was in prison, and later, South African Tamils contributed substantial funds for his defence and benefit.

The human resources that VOC mobilized were no less considerable. Ideological and political commitment apart, many of them—young and old, and of all castes and classes—were in awe of VOC. Such was his magnetism and integrity that they remained loyal to him for the rest of his life. The Parali Brothers—Shanmugasundaram, Nellaiyappar and
