Appendix III

The Swadeshi Steam Navigation Company (Ltd), Tuticorin

A rare opportunity for Indian patriots!!!

Do you want Mother India to ascend her ancient throne and lead the world's nations? Then, help at once

1. this pioneer shipping industry financed, managed and run by Indians on purely *national* lines,
2. this very first attempt on any large industrial scale to challenge the monopoly by foreign capital of the waterways of India
3. this only enterprise whose sole aim is to develop the sea-borne trade of the Indians and popularise sea-voyage among all classes of them, by means of special arrangements made so as to afford greater facilities for the same, and
4. this only Company offering training to Indian apprentices in navigation.

A FUND, to be invested in shares in the company and from the income of which Indian students in navigation and ship-buildings, going abroad are to be maintained is being vigorously collected by means of 1 Re. tickets and donations.

PROPERTIES. S.S. *Lawoe*, S.S. *Gallia* and S.L. *Miranda*.

CAPITAL Rs. 2,000,000 divided into 80,000 shares of Rs. 25 each, of which 34,000 have been already taken up.

THE IMMEDIATE WANT of the Company is Rs. 50,000 or the value of 5000 shares to be realised within a month. The company will then be able to start with fresh vigour on its mission of useful work to national development,
