## Orange Book

The Orange book is organised into three parts. The **first** part is meant for **HR/ Administration**, to create a system and an enabling environment to ensure food safety and nutrition for everyone at the work place. The **second** part is for the **canteen or cafeteria** establishment to ensure that the food served in the work place, whether prepared in-house or catered from outside, is safe and wholesome. The **third** part is for **employees**, which indicates useful tips and suggestions to empower employees to eat and stay healthy at the workplace by making informed choices about the food they consume.

## Pink Book

**Figure 5.4 Safe and Nutritious Food**

A guide for safe and nutritious food **at home.** The book covers sections namely,

- Selecting and purchasing food
- Serving food
- Preparing and cooking food
- Eating healthy
- Packing food and
- Maintaining hygienic and sanitation

It provides useful tips, do's and don'ts, methods and practices that should be followed in Indian Kitchens.

## Yellow Book

The yellow book is an interactive and illustrative, easy to understand guide which becomes an important tool **for parents, teachers and students**. This book serves as a **ready reckoner** that includes material for classroom narrative lectures as well as laboratory exercises. It aids as a comprehensive tool kit in the form of training manual, power point presentations, activities, posters and handouts.

The "yellow book" is aimed at inculcating wholesome food habits at a young age, as habits formed in the early years stay throughtout the life. The activities and guidelines have been designed to encourage adoption of safe and nutritious food practices at schools.
