- Arrange the flowers according to your taste or harmony.

3. Ikebana – Japanese style flower arrangement

Ikebana is the art of flower arrangement followed by Japanese.

- Fill water 1/3rd of height in a shallow vessel.
- A floral brick can be placed to hold the flowers.
- Plant material should be of atleast three different lengths.
- The stems with flower should be arranged according to their heights.

Plate 3.14 Ikebana Arrangement

Instruction

Students can do any one flower arrangement. A simple arrangement can be done to place on a cover.
