To create a Rectangle frame

1. Click on the Rectangle Frame tool in the Tools panel (or) Press **F** in the keyboard.
2. Position the Rectangle Frame tool pointer on the page.
3. Drag to create a rectangle frame that is approximately the size and shape you want, then release the mouse button.

When you release the mouse button after creating a Rectangle frame, the frame you created is active. If the Selection tool was previously selected, the frame is displayed within its bounding box, which contains eight resizing handles, which help you to change the shape or size of the bounding box or the frame.
