(cc) (Regular) Paragraph 5 times each:

1. India is a DEMOCRATIC SOCIALIST country in the World. Infect, DEMOCRATIC SOCIALISM has been offered as a solution to the DEVELOPMENTAL resolution which India has undertaken to break through the barrier of UNDER-DEVELOPMENT of carrying forward the liberation of many millions of people and pushing through the DEVELOPMENT in all spheres of life. The SOCIALIST transformation which India aspires is that of building an independent, economy and comprehensive, including agriculture, on a modern technical basis as early as possible.

   "India is my Country. All INDIANS are my Brothers & Sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worth of it.

   I shall give respect my parents, teachers and all elders and treat everyone with courtesy. To my Country and My People, I pledge my Devotion. In their well-being and prosperity alone lies my happiness".

2. The question here is, are all of them entrepreneurs? The answer is both yes and no. If we say that an entrepreneur is a person, then all the above individuals are entrepreneurs. When we add that a person having his own business only is an entrepreneur, excepting Kamath and Prabhudeva, all the others are persons having their own business – small, very small, or large. But we say that an entrepreneur is a person who starts his own business. Chandrasekaran and Narayanan are taking care of the business started by their father; so they are not entrepreneurs. Ramu, whose mother prepares sundal and asks him to go to beach, sell and bring the money and give it to her, is also not an entrepreneur, but only an employee. Also, if shops and businesses are not started by them, then they also cannot be called entrepreneurs.
