Operational control	Authority to perform those functions of command.
Organizational Chart	An organizational chart is a diagram that outlines the internal structure of a company. An organizational chart is the most common visual depiction of how an organization is structured. It outlines the roles, responsibilities and relationships between individuals within an organization.
Organizational Structure	Organizational structure determines how information flows from level to level within the company. It identifies each job, its function and where it reports to within the organization. The structure is illustrated using an organizational chart.
Overlapping	A part of first thing which occupies the same area as a part of other thing.
Perceptual barriers	While physical barriers are easy to see, perceptual barriers are those you erect in your mind.
Perennially	Lasting for an indefinitely long time.
Personal Assistant	He is merely a routine worker and has to follow the dictation of his employer.
Persuasiveness	Persuasiveness is an important quality of effective communication.
Pervasive	Spread throughout or widespread.
Physical barriers	Open plan building designs are attractive as they allow colleagues to communicate quickly and efficiently.
Pioneering	Work done for the first time which has not done before.
Planning premises	Anticipated environment in which plans are expected to operate.
Policies	A course or principle of action adopted.
Policy Decision	Taken by top management.
