Among the younger DK members was Muthuvel Karunanidhi, a young scriptwriter. After Anna's death in 1969, Karunanidhi would take over the reins of the DMK, and eventually serve five terms as chief minister of Tamil Nadu. Actor MG Ramachandran was another of Anna's political associates who later founded his own rival Dravidian party, the All India Anna Dravida Munnetra Kazhagam in 1972. The two parties have dominated Tamil Nadu politics since 1967; although tainted by corruption, both embraced Anna's vision of a government focused on social justice.
