executing the Mars Orbiter Mission, India’s first interplanetary mission, in 2013.

In 1974, a crater on the moon was named the Sarabhai crater in honour of Vikram. In 2019, India launched Chandrayaan-II, a lunar exploration mission, which carried a lander called Vikram.

MAKERS OF MODERN INDIA

The government of free India recognized that a strong nation could only be built on strong foundations. The individuals on these pages worked in a variety of fields to promote the nation’s growth, and in time, help it to thrive.
