novels and short stories she wrote, which focused on caste and class struggle, gender discrimination and the violence of the state towards its own citizens. Through her writing, she highlighted the many forms of oppression faced by marginalized communities both in colonial and independent India. Devi also worked towards safeguarding the rights of indigenous communities and founded several organizations aimed at giving them access to education and healthcare and empowering them economically.

**“I HAVE SEEN THE STRUGGLES AND PROTESTS OF THE PEOPLE. FOR AN END TO THIS EXPLOITATION. FOR ACCESS TO BASICS WHICH ARE NEEDED FOR LIVING WITH DIGNITY. AND I FELT THAT I COULD NOT REMAIN A MERE WRITER OF FICTION WITHOUT DOING ANYTHING ABOUT IT.”**
