HarperCollins *Publishers* India

At HarperCollins India, we believe in telling the best stories and finding the widest readership for our books in every format possible. We started publishing in 1992; a great deal has changed since then, but what has remained constant is the passion with which our authors write their books, the love with which readers receive them, and the sheer joy and excitement that we as publishers feel in being a part of the publishing process.

Over the years, we've had the pleasure of publishing some of the finest writing from the subcontinent and around the world, including several award-winning titles and some of the biggest bestsellers in India's publishing history. But nothing has meant more to us than the fact that millions of people have read the books we published, and that somewhere, a book of ours might have made a difference.

As we look to the future, we go back to that one word—a word which has been a driving force for us all these years.

Read.
