8.4 Front Bodice Pattern

- Draw a rectangle using following measurements. Point A - B = 1/4 bust measurement + 1 cm + 0.5 cm (for ease). Point A - C = front waist length. Now close of the rectangle making sure it is perfectly squared.
- From point C - E and D - F mark the side length. Connect points E and F with a straight line.
- From point B - H and F - G mark in 5 cms. Connect points G - H with a straight line.
- From point G - I mark a 6 c
- From point A-J apply one tenth the waist measurement + 1 cm. From point A-K apply one tenth the waist measurement, Connect J-K.
- From point B-L mark down 9 cms. Connect points K-L.
- From point E-M mark 1\2 the bust separation.
- From point A-N mark down 5 cms. Then from N mark down another 6 cms and mark that O. Connect both points N and O to M using straight line.
- From point C-P mark into the same measurement as E-M. Draw a vertical line point F-Q. This line should be 15 cms long.
