Marking and cutting

Cut according to the pattern which is placed in the fabric after including seam allowances.

Garment components

Front Bodice - 2 Pieces

Cross Band - 4 Pieces

Back Bodice - 1 piece

Sleeve - 2 pieces

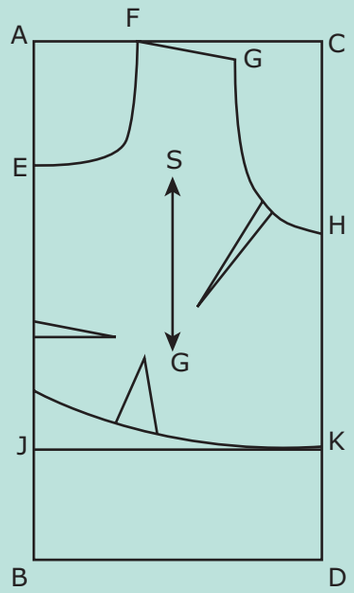

Fabric required for finishing neck and plackets.

Stitching methods

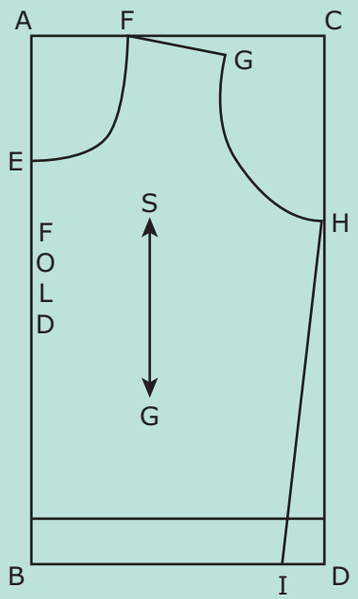

- On the front bodice make three darts and join the cross band along with it.
- On the front bodice, attach the plackets.
- On the back bodice, make two half darts.
- Finish the edges of the sleeve and join the side seams.
- Join the sleeve patterns along with the bodice patterns.
- By using the cross piece finish the edges of the necklines.

Finishing

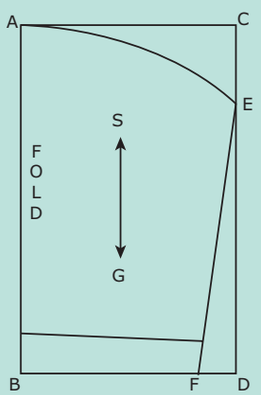

- Cut off the unwanted threads.
- Stitch hook and eyes at the required areas.
- Finished garments should be ironed neatly.
