ICT Corner

Learning Abbrevations

This activity enables the students to enrich themselves

With abbrevations they have learnt

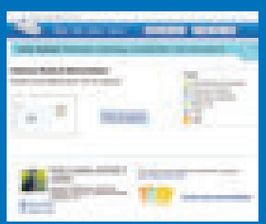

Step 1: Type the URL link given below in the browser or scan the QR code. A page opens with " Flash Cards, Matching, Concentration and word search"

Step 2: Click the image to explore the functions. There are four types of games. Each have their own individual value

Step 3: When you click open the games you can play as per direction

Step 4: If you open the concentration game two upside down cards have to match ie one abbreviation another one expansion
