2. Inter-personal Communication

Inter-personal communication happens when you communicate directly with other people in a one to one or in a small group. The words 'inter' and personal suggest that 'Inter-personal' means communication between to different individuals.

3. Public Communication

Public communication takes place in a situation where many people receive messages largely from one source. For example, it can be a movie, television show, a speech, advertisement, political lecture, committee report etc.

4. Mass Communication

Mass communication is public communication transmitted through electronically or mechanical means. Books, magazines are all examples of mass communication.

5. Small Group Communication

Communication is within formal or informal groups or teams. It is group interaction that results in decision making, problem solving and discussion within an organization.

STUDENT'S ACTIVITY

Do a role play in a group, discussing in handling person/patient of different language not known to the group.

10.7 BARRIERS OF COMMUNICATION

Barriers to effective communication can retard or distort the message or intention of the message being conveyed. This may result in failure of the communication process or cause an effect that is undesirable.

Types of Barriers

- **Physical Barriers:** Physical Barriers are often due to the nature of the environment like noise, invisibility, etc.
- **Organisational Barriers:** It refers to the problem with the structures or systems in
